Yes we are flexible with respect to time on the sep 1.

- 1) apparently we have a new agreement between the various parties involved. If there is specific information you feel I need to communicate to board members, please let me know.
- 2) we are preparing a law suit in the event that the agreement is not executed soon. I have asked for the agreement to be sent.
- 3) the purpose of the call was in to in good faith detail the complaint. Given the you are already aware of the specifics, a call may not be necessary.

Please let me know.
